as a highschool student many situations occur and my faith has brought me past each and everyone of them.

whether the religion you follow is christianity or not, faith means alot. i wander through campus with encouraging lyrics running through my head rather than the crude ridiculous lyrics of all the "it" groups. Air1 is a station the whole family can listen to from the three yar old in the back seat to the critical grandparent in the front seat without any worries. The ability to have such a fantastic station readily avaliable at our fingertips is a great option our communities have and we will gratly suffer if we lose this oppurtunity. thank you for your time and god bless!
